

Vansh Anand

I am a 17 year old student with a massive passion for learning. I graduated from the International Business and Technology high school program with a final average of 97%. I love completing puzzles, solving problems, and challenging myself to be the best version of myself.

EXPERIENCE

Volunteer for Deca Regionals event **North Park Secondary School**

November, 2023

Was a team leader and helped to prepare my team for their competition. Ensured that everyone was participating, and that the students were ready and on time for their events, also aided in the competition setup.

Volunteer for Deca Junior event **North Park Secondary School**

May, 2023

Guided students and judges around the school. Aided students with queries about their events. Ensured building security and competition integrity.

Volunteer for Open House **North Park Secondary School**

October, 2022

Guided groups on tours around the school. Answered questions about the school, IBT program, courses, and extra-curriculars. Answered questions about my personal experience with the school, teachers, and classes.

Volunteer for 2022 India's Independence Day event **Shri Gauri Shankar Mandir**

August, 2022

Helped in setting up, managing, and cleaning up after the event. Taught other volunteers how to assemble and set up equipment. Got a visit from Patrick Brown, Brampton's Mayor.

Volunteer for Peel Board Trustee election **Idris Orughu and Sophia Jackson**

July, 2022

Canvassing for the Peel Board Trustee election. Raised awareness of issues in the area and acquired votes, resulting in a win for Idris Orughu.
