Brampton, ON, L7A

I am a 17 year old student with a massive passion for learning. I graduated from the International Business and Technology high school program with a final average of 97%. I love completing puzzles, solving problems, and striving to be better. I am going into my first year at the University of Toronto Scarborough studying computer science in 2024.

PROFESSIONAL EXPERIENCE

Volunteer for Deca Regionals event

November, 2023

North Park Secondary School

Was a team leader and helped to prepare my team for their competition. Ensured that everyone was participating, and that the students were ready and on time for their events, also aided in the competition setup.

Volunteer for Deca Junior event

May, 2023

North Park Secondary School

Guided students and judges around the school. Aided students with queries about their events. Ensured building security and competition integrity.

Volunteer for Open House

October, 2022

North Park Secondary School

Guided groups on tours around the school. Answered questions about the school, IBT program, courses, and extra-curriculars. Answered questions about my personal experience with the school, teachers, and classes.

Volunteer for 2022 India's Independence Day event

August, 2022

Shri Gauri Shankar Mandir

Helped in setting up, managing, and cleaning up after the event. Taught other volunteers how to assemble and set up equipment. Got a visit from Patrick Brown, Brampton's Mayor.

Volunteer for Peel Board Trustee election

July, 2022

Idris Orughu and Sophia Jackson

Canvassing for the Peel Board Trustee election. Raised awareness of issues in the area and acquired votes, resulting in a win for Idris Orughu.
